Description :

PDF-57d0f | The stories in this series are written for older children, but our intention is that parents and teachers read each one and then convey the ideas in such a way that it is clear to a child yet unable to read. Examples of how to do this are to be found on the accompanying instructional DVD. Many exercises in the workbooks are designed for small children with guidance from their family. The workbooks... *Imam Al-Ghazali: The Book of Knowledge for Children (Ghazali Children)*
