Description :

PDF-1bca7 | The science, history, and cultural significance of the shortest day of the year: The Winter Solstice! The beginning of winter is marked by the solstice, the shortest day of the year. Long ago, people grew afraid when each day had fewer hours of sunshine than the day before. Over time, they realized that one day each year the sun started moving toward them again. In lyrical prose and cozy illustrati... *The Shortest Day: Celebrating the Winter Solstice*
